

SDS 390: Pre-Course Questionnaire

Spring 2019

Purpose

Thank you for completing this questionnaire, which is helpful to me in structuring the course. All information will be kept confidential.

Name (nickname):

Pronoun (e.g., she/her):

Class Year:

Major:

Email Address:

Background

- Please tell me about your background (e.g. where are you from, major and area of interest, other activities, significant orgs or athletics):
- Please list any other statistics or research methods courses you've taken (which may be in high school):
- What was your experience like in those courses?
- Which statistical software packages have you used (e.g., R, SPSS, Python, SAS)? Please list them, and describe your comfort level using them:
- What are your personal goals for this course?
- In which areas of applied statistics are you most interested (e.g. biology, economics, psychology, finance, sociology, etc.) [list as many as you like]?
- Is there any other information that I should know?
